Important information about your energy use

About your TCR

Tariff Comparison Rate (TCR) for Electricity:
13.11p per kWh

The TCR is a guide to compare the cost of your current energy tariffs. It is the average overall cost of each unit of energy and is based on a typical user of electricity or gas. It is not based on your personal consumption. Call us or visit our website for more information.

Scan this image to your smartphone or tablet to download your energy account details - you can use it to check you are on the best tariff for you.
